

AMERICAN EUROCOPTER U.S. COAST GUARD MAINTENANCE TECHNICIAN AWARD

The American Eurocopter U.S. Coast Guard Maintenance Technician Award has been developed to recognize the experience and responsibility level of those who keep the U.S. Coast Guard fleet flying. The award is based on a number of factors, which contribute to the overall experience a Maintenance Technician gains. Qualifying Maintenance Technicians receive a recognition medallion for their tool box or roll away for each level reached.

Award Criteria

- This award applies to maintenance experience with the Eurocopter HH-65 helicopter.
- Potential recipients must have, as a minimum, attended the USCG "C" School on the HH-65.
- Award levels are based on years. Years can be accumulated through actual years of experience as well as added responsibilities. See below.

• Example		
- The potential recipient has maintained the HH-65 helicopter for 4 years		4 years
- The potential recipient is Maintenance Control Chief	1 year	
	Total	5 years

Award Levels

5 Years
Eurocopter Certified Technician

10 Years
Eurocopter Senior Technician

15 Years
Eurocopter Master Technician

25 Years
Eurocopter Distinguished Technician

- For each full year of experience maintaining the HH-65 helicopter add: 1 year
- Those who serve (or have served) as a primary QA add: 1 year
- Those who are (or have been) a Maintenance Control Chief add: 1 year

Significant Accomplishment Recognition

American Eurocopter sincerely believes in the difference Maintenance Technicians can make to the success of your operation. The accomplishments of these professionals, however, often go unnoticed. In addition to the awards program described above, we would like to offer the opportunity to recognize someone who has made a significant maintenance contribution/accomplishment within the USCG. Recipients of this special recognition will receive an attractive plaque, suitable for giving at a company awards function, a dinner, etc. To nominate a Maintenance Technician, please either write or call Technical Support.

Qualification

To receive this award, a letter should be submitted by the Public Information Officer or other appropriate Manager. This may be done anytime throughout the year. Letters should include the following details:

Award Recipient's Name
Current Position/Rank
Current Air Station
Award Level Earned
How the Award Level was Attained

Please indicate if the award needs to be sent to a location other than that found on the letterhead, i.e. directly to the recipient's address. Letter's should be sent to:

Technical Support
American Eurocopter
2701 Forum Drive
Grand Prairie, TX 75052
